DIVERSITY
IN AGRICULTURE

ABOUT SUBJECT PROGRAM CAREERS EDUCATION NEWS VIDEOS

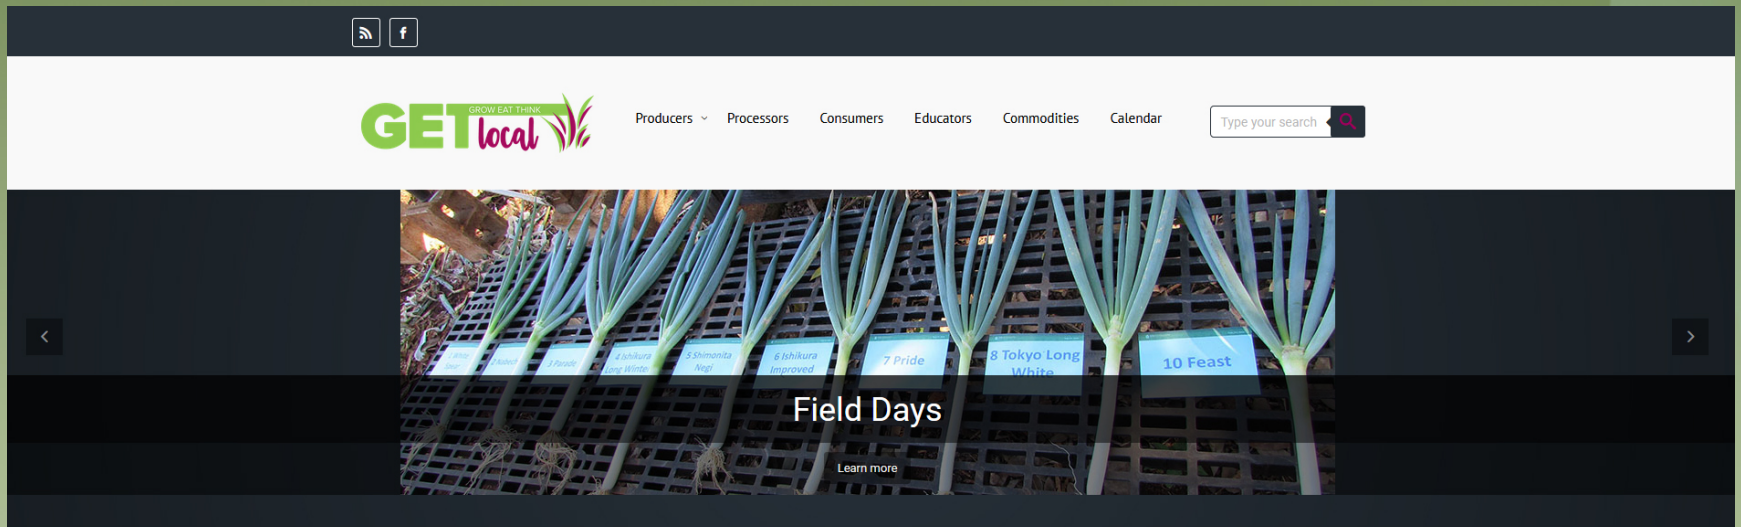

The *Diversity in Agriculture Program* exposes youth to agriculture and careers in agriculture through a variety of lenses including technology, science, business, culture, and arts in addition to hands-on learning and agriculture practice. Topics include agribusiness; farm-to-table; GPS and biotechnology; food science; sustainability; design; animal science; indigenous plants; and career planning among others. The goal is to entice youth to pursue agriculture careers to sustain local agriculture.

Functionality

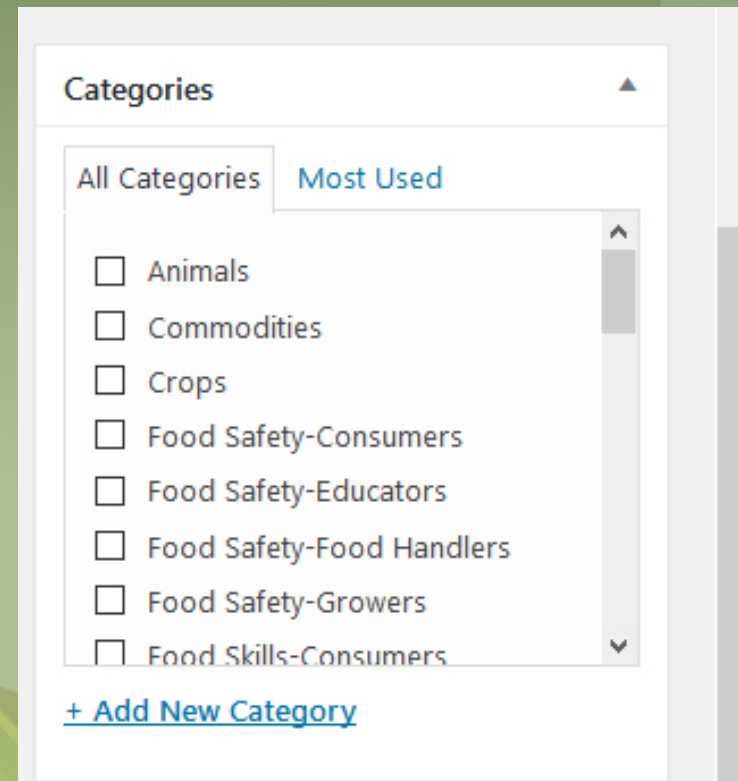

The screenshot displays the WordPress dashboard interface. At the top, there is a navigation bar with the WordPress logo, a home icon, and the text 'GET Local'. On the right side of the top bar, it says 'Howdy, Admin' and includes 'Screen Options' and 'Help' dropdown menus. A dark sidebar on the left contains a menu with items like 'Dashboard', 'Home', 'Updates' (with a red notification badge for 14 updates), 'Posts', 'Media', 'Links', 'Pages', 'Comments', 'Contact', 'Sidebars', 'Appearance', 'Plugins' (with a red notification badge for 7 updates), 'Users', 'Tools', 'Settings', 'Shortcodes', and 'Collapse menu'. The main content area features a 'Dashboard' header with a notification for 'WordPress 4.9.2 is available! Please update now.' Below this is a recommendation for the 'Redux Framework' plugin. A large 'Welcome to WordPress!' message follows, with a 'Dismiss' button. The dashboard is divided into three columns: 'Get Started' with a 'Customize Your Site' button, 'Next Steps' with links to edit the front page, add pages, add a blog post, and view the site; and 'More Actions' with links to manage widgets, turn comments on/off, and learn more. At the bottom, there are several widgets: 'At a Glance' showing 2 posts and 13 pages, 'Quick Draft' with a title and content field and a 'Save Draft' button, 'Activity' showing recent publications, and 'WordPress Events and News' featuring a 'Maui WordPress Meetup' event on Feb 15, 2018.

 All media items

The Media Library grid displays a collection of media items. The first row includes a large image of zucchinis, a PDF document titled 'Zucchini.pdf', a PDF document titled 'Taro.pdf', a PDF document titled 'Turmeric.pdf', a PDF document titled 'sweetpotato.pdf', and a PDF document titled 'pork.pdf'. The second row includes a PDF document titled 'beef.pdf', a PDF document titled 'chickpea.pdf', a PDF document titled 'Chinese-cabbage.pdf', an image of people in a field, a close-up image of a vegetable, an image of a field, an image of a person, an image of a sign that says 'WASH WHAT YOU EAT', and an image of a field. The third row includes an image of potatoes, an image of a field, a logo for 'GROW EAT THINK local', an image of a person, an image of a field, a logo for 'GROW EAT THINK local', and another logo for 'GROW EAT THINK local'.

Cons

- **Installation may be required**
- **Updating plugins may be required**
- **Restrictive content model**
- **Being an expert**

Options

1. Choose your hosting option.

a. Managed

- a. ITS installs & updates installation
- b. Limited themes & plugins

b. Self-hosted

- a. ITS provides database service, user installs/update
- b. Custom plugins

c. Virtual Machine

Request Your Site

- Go to [ITS application page](#) to apply.
- ITS responds within a day or two

Your Executive Sponsor

The website executive sponsor authorizes the creation and continued existence of a website. Sponsors are generally faculty or staff responsible for running departments, staff offices, and/or projects.

For department websites, the executive sponsor would be the department chair. For staff office websites, the senior office administrator would be the executive sponsor. For specific programs and projects, the principle investigator would be the executive sponsor.

Google Street View

The image shows a smartphone screen displaying the Google Street View app in manual mode. The screen is divided into three vertical panels. The left panel shows a 360-degree panoramic view of a snowy mountain landscape. The middle panel shows a smaller, centered view of the same landscape with a white circle and a red dot indicating the camera's current position. The right panel shows a close-up view of the camera's lens. Below the screen, the text 'MANUAL MODE (IN APP)' is displayed. Underneath, there is a bulleted list of features: 'A mode in the Street View app', 'A new 360 photo every 2 minutes', 'Requires practice', and 'Free'. At the bottom, there is a blue horizontal line followed by the text 'Get the app'.
