Join us for a special farm to table dinner, benefiting Tucson Village Farm, a working urban farm by and for Tucson youth. This wonderful organization helps reconnect young people to a healthy food system and empowers them to make healthy life choices. Much of the produce being served at the dinner will come straight from the farm! Enjoy wine from local winery, Arizona Angel. Questions? Contact Laura at sp.rrd.events@wholefoods.com or 520-461-1300.

RSVP Required. Register online at [Event Brite:](http://EventBrite.com)
